1. **title:** ARROW-5968: [Java] Remove duplicate Preconditions check in JDBC adapter
body: Related to [ARROW-5968](https://issues.apache.org/jira/browse/ARROW-5968). Some Preconditions check are duplicate in JdbcToArrow#sqlToArrow

github_pulls_comments:

1. +1, LGTM
2. Only failing travis build is R which seems like a download issue
