**label:** documentation

**github\_issues\_comments:**

1. Thanks @rs2 Arrow uses JIRA for issue tracking, could you please open an issue [there] (<https://issues.apache.org/jira/projects/ARROW/issues/ARROW-2989?filter=allopenissues>). Once created, you should be able to self assign.
2. **body:** You can skip JIRA for a typo fix. Please submit a PR  
**label:** documentation
