15. Ok, looks like the dummy patches are producing the same failures on {{branch-2.2}} as with the fix. The failing tests seem to pass locally (or fail in the same manner as without the patch), save for the {{TestSparkCliDriver}}. I'm +1. Just running a couple of double-checks before I check this in.

16. Committed to {{master}}, {{branch-2}}, and {{branch-2.2}}. Thank you for this fix, [~selinazh], and [~cdrome]!

17. This jira is resolved and released with Hive 3.0 If you find an issue with it, please create a new jira.
