1. @sijie Line 15-25 are my writings, are they correct?
2. @sijie I add the **Definition** column for this table, are the contents accurate?
3. @sijie I re-write this table, is it accurate?
4. @sijie I re-write this table, is it accurate?
5. @sijie I re-write this table, is it accurate?
6. @sijie I re-write this table, is it accurate?
7. That's correct.
8. looks good to me.
9. lgtm
10. "/" doesn't provide useful information. And it sometimes causes confusion. I would suggest adding at least one sentence for it.
11. @sijie Thank you, I've replaced "/" with "contents".
