1. **summary:** regression: exposing cache size through MBean
   description: Looks like it was part of CASSANDRA-1969. A method called size, as opposed to getSize, won't be exposed through jmx.

jira_issues_comments:

1. Just size --> getSize in InstrumentingCacheMBean
2. It would be nice if we had some tests around these things, but I'm +1 on this patch.
3. committed, thanks!
4. Integrated in Cassandra-0.8 #173 (See [https://builds.apache.org/job/Cassandra-0.8/173/]) fix cache mbean getSize patch by Chris Burroughs; reviewed by Ryan King for CASSANDRA-2781 jbellis : http://svn.apache.org/viewcvs.cgi/?root=Apache-SVN&view=rev&rev=1136529 Files : * /cassandra/branches/cassandra-0.8/CHANGES.txt * /cassandra/branches/cassandra-0.8/src/java/org/apache/cassandra/cache/InstrumentingCacheMBean.java * /cassandra/branches/cassandra-0.8/src/java/org/apache/cassandra/tools/NodeCmd.java * /cassandra/branches/cassandra-0.8/src/java/org/apache/cassandra/cache/InstrumentingCache.java
