2. * * Get schemas list of service * * @param serviceId * @return * @throws OperationException
3. * * update schema context of service * * @param serviceId * @param schemaId * @param schemaInfo * @return * @throws OperationException
4. * * Get one schema context of service * * @param serviceId * @param schemaId * @return * @throws OperationException

git_commits:

1. **summary:** [SCB-1697] Add schema API in service-center-client (#1504)
   message: [SCB-1697] Add schema API in service-center-client (#1504) * add schema API in service-center-client * Optimize client schemas code

github_issues:

1. **title:** support service center schemas related API in service-center-client
   body: The Java client of the service center currently does not support contract-related APIs. This function is also important, and I recommend adding it.
2. **title:** support service center schemas related API in service-center-client
   body: The Java client of the service center currently does not support contract-related APIs. This function is also important, and I recommend adding it.
3. **title:** support service center schemas related API in service-center-client
   body: The Java client of the service center currently does not support contract-related APIs. This function is also important, and I recommend adding it.
   label: code-design
4. **title:** support service center schemas related API in service-center-client
   body: The Java client of the service center currently does not support contract-related APIs. This function is also important, and I recommend adding it.

github_issues_comments:

1. Can you send PR for this? This module is quite independent of this project.
2. Close old issue, please feel free to create new one if you meet the problem again.

github_pulls:

1. **title:** [SCB-1697] Add schema API in service-center-client
   body: #1423 add service center schemas related API in service-center-client

github_pulls_comments:

1. [![Coverage Status](https://coveralls.io/builds/27874790/badge)](https://coveralls.io/builds/27874790) Coverage decreased (-0.04%) to 83.965% when pulling **3e44da61171f6e4d2d660a27c77b9a89f29d107f on zaneChou1:addSchemas** into **5b7c0172e19cb13d2ceff30beae76ca9794fdf3f on apache:master**.

github_pulls_reviews:

1. **body:** Maybe ```boolean``` or ```void``` is better, the logic do not return ```false```.
   label: code-design

2. ```GetSchemaResponse``` is used as an ```request``` in ```updateServiceSchemaContext```, it's better to change to a new name. e.g. ```SchemaInfo```
3. Thanks for your suggestion, it has been modified.
4. Thanks for your suggestion, it has been modified.
