6. I merged this since we're close to the deadline. Thanks! Please address @rxin comments in a follow up.
7. FYI I added more inline comment https://github.com/apache/spark/pull/4539

github_pulls_reviews:

1. If we are going to merge this, can you add javadoc for these two methods to explain what they do, and what the differences are?
2. Also they should be private or at least protected.
